Sir/Madam,

It has come to the notice that some NGOs and Organisations are involved in anti-national activities. This concern was also expressed in DsGP/IsGP Conference, 2017. It is thus necessary that their activities are monitored by the State Police. An action point emerging was for the State Police to monitor funding of such NGOs/Organisations.

2. The States/UTs are requested to take urgent action and ensure that State Police also monitor the activities and funding of such NGOs and other organizations. They are also requested to circulate this advisory to all concerned, for compliance.

Yours faithfully,
