**Message from Union Home Minister Shri Amit Shah on the occasion of
World Environment Day**

New Delhi: June 5, 2020

Union Home Minister Shri Amit Shah has said that from times immemorial, India has rich tradition and deep knowledge about nature conservation. In his message on the occasion of World Environment Day, Shri Shah said that different ways of worshipping and preserving the environment are intrinsic to our culture. On this World Environment Day, let us resolve to preserve our environment for a better tomorrow, he added.
